Dear Parents:

We hope that you all had a great summer with much family time and the making of many happy summer memories.

With the start of the new school year fall is fast approaching. We will savor as many sunny and hopefully warm days for as long as we possibly can.

The Educators at all Centres are ready for the changes fall brings and will include all of Mother Nature's changes in their curriculum as well. Changes also happened with staffing as was outlined to all parents in a recent memo.

Welcome back to Jackie who has returned from maternity leave and welcome to Caroline and Sherri who both joined our team in recent weeks.

Fall also means weather and temperatures that are very unpredictable. Since outdoor play and exploring is a part of our daily activities please ensure that your child has:

- at least one (1) set of a change of clothes,
- rubber boots /rain gear,
- warmer jackets, and
- possibly mitts and a hat

Layered clothing is a good idea for this season. Should the day turn warm as it progresses we can just help your child to shed these layers.

Indoor shoes are also a necessity at this point. Shoes need to be on the feet at all times for fire drills/evacuations.

Should you have any suggestions, concerns or comments feel free to talk to any staff member, myself or drop by the office.

Sincerely,

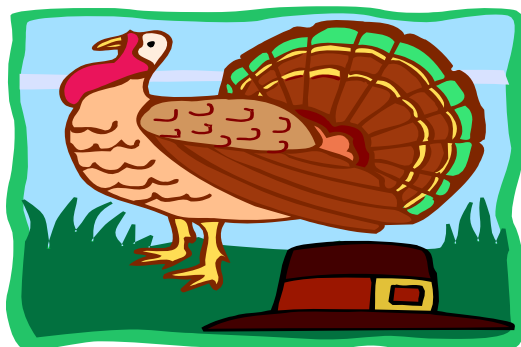

*Karin Laviolette*

## Staying Safe on and around the Bus

School bus travel is extremely safe. In Ontario, over 800,000 students are transported daily in school buses that travel 1.9 million kilometres every school day. Although injuries to school bus passengers are rare, they most often happen outside the bus as students are boarding and leaving the bus or crossing the street. Remember these tips.

### Boarding and Leaving the Bus

- Be at the school bus stop on time.
- Wait in a safe place well back from the edge of the road.
- Do not play in ditches or on snowbanks.
- Enter the bus in single file holding the hand rail.
- Find a seat right away and stay seated facing forward at all times.
- Do not place things in the aisle.
- Avoid rowdy behaviour. Do not throw things or eat or drink.
- Keep your arms and head inside the bus.
- Never distract the bus driver. Always follow his or her instructions.
- When you leave the bus, move away from the side. If you can touch the bus, you are too close.
- If you drop something near the bus, never try to pick it up because its quite likely the bus driver cannot see you. Ask an adult or the driver to help.

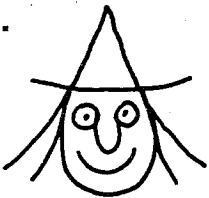

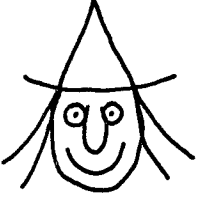

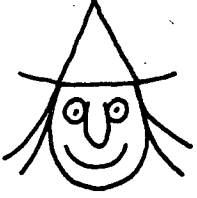

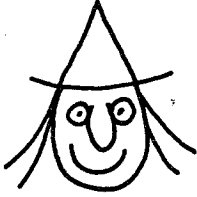

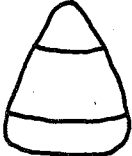

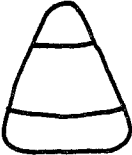

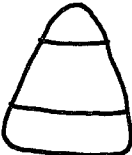

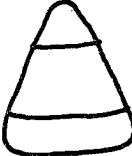

### When crossing the street to get on or off the Bus

- Walk at least ten (10) big steps in front of the bus, along the side of the road and look at the driver for a signal before crossing.
- Look all ways before crossing the road.
- Walk, never run, to where your parent or caregiver is waiting for you on the side of the road where the bus stops
