

COVID-19 INFORMATION FOR LOCAL BUSINESSES

The Northwestern Health Unit is presenting a public health measures and restrictions information session, Friday, January 15, 2021 at 1:00 p.m. CST.

Join Andrea Perchuk from the Northwestern Health Unit to get information on Ontario's current declaration of emergency, as well as the latest public health measures, advice, and restrictions as we continue to respond to the challenge of COVID-19.

Andrea will share the most relevant information and address questions that many businesses have. There will also be a question and answer period.

Register now at <https://nwbcbusinessconversations.eventbrite.ca>.

This session is part of the Northwest Business Centre's Business Conversation series: an online conversation with business owners and entrepreneurs from across the Kenora and Rainy River Districts.
