~ FOR IMMEDIATE RELEASE ~

### COVID Requirements for Municipal Facilities

*Sioux Lookout, ON* – While the Province is set to remove the mask mandate across Ontario starting Monday, they will remain at all Municipal facilities in Sioux Lookout.

“COVID positivity rates in our area, while declining, are still quite high. As a result, we’re keeping existing public safety measures in place to protect our staff and the community,” explained CAO Michelle Larose. “We will still require staff and members of the public to wear masks and self-screen when entering our buildings, including the airport terminal building.”

Capacity limits of 50% will also remain in effect for Municipal facilities, including the Recreation Centre, Sioux Lookout Memorial Arena, and Sioux Lookout Municipal Airport, but proof of vaccination is no longer required.

The Municipality of Sioux Lookout thanks everyone for their cooperation.
