Lowest or any Proposal not necessarily accepted. The Municipality reserves the right to reject any or all Proposals, to waive irregularities and informalities therein, and to award the contract in the best interest of the Municipality in its sole and unfettered discretion. See Proposal information, Proposal Forms and other Proposal documents for all terms, conditions and requirements.

SECTION 2

PROPOSAL INFORMATION

- 2.1 The Proponent acknowledges that the Municipality shall have the right to reject any or all, Proposals for any reason, or to accept any Proposal which the Municipality in its sole unfettered discretion deems most advantageous to itself. The lowest, or any, Proposal will not necessarily be accepted and the Municipality shall have the unfettered right to:
- (a) Accept any regular, irregular, unbalanced, informal or qualified Proposal;
 - (b) Disqualify Proposals not submitted in accordance with the requirements of any Proposal documents;
 - (c) Accept a Proposal which is not the lowest Proposal; and
 - (d) Reject a Proposal that is the lowest Proposal (and even if it is the only Proposal received).

- 2.2 The Municipality reserves the right to consider, during the evaluation of Proposals:
- (a) Information provided in the Proposal document itself;
 - (b) Information provided in response to enquiries of credit and industry references set out in the Proposal;
 - (c) Information received in response to enquiries made by the Municipality of third parties apart from those disclosed in the Proposal in relation to the reputation, reliability, experience and capabilities of the Proposal;
 - (d) The manner in which the Proposal provides services to others;
 - (e) The experience and qualification of the Proponent's senior management and project management;
 - (f) The compliance of the Proponent with the Municipality's requirements and specifications; and
 - (g) Any other thing or matter which the Municipality, in its sole unfettered discretion, deems appropriate.
- 2.3 By submitting a Proposal, the Proponent acknowledges the Municipality's rights under this Section 2 and absolutely waives any right, or cause of action against the Municipality and its consultants, by reason of the Municipality's failure to accept the Proposal submitted by the Proponent, whether such right or cause of action arises in contract, negligence, or otherwise.
- 2.4 (a) The following schedules are attached to and form an integral part hereof:
- (i) Schedule 1 – Proposal Forms (the "Proposal Forms");
 - (ii) Schedule 4 – Specifications and Requirements.
- The following schedules will become an integral part of the Agreement upon execution;
- (iii) Schedule 2 – Standard Form of Agreement (the "Agreement"),
 - (iv) Schedule 3 – Occupational Health and Safety Agreement (the "OH&S Agreement").
- (b) In this Proposal, the Proposal Information, Proposal Summary, Appendices, Addenda (as defined in section 2.5), and the Specifications and other provisions, are collectively referred to as the "Proposal Documents".
- 2.5 All such changes shall become an integral part of the Proposal Documents and allowed for by the Proponent in its Proposal and Proposal pricing. The Proposal Forms provides a Section for acknowledgement by the Proponent of receipt by the Proponent of any and all Addenda.
- 2.6 All Proposals are to be submitted utilizing the forms included in this proposal.
- 2.7 **This Request for Proposal closes at 1:30 p.m. local time, Monday, August 12, 2024** (herein sometimes referred to as the "Closing Time"), after which time Proposals received will be opened at the Public Works Department, 41 Fifth Ave., Sioux Lookout, Ontario.

One (1) set of the original, signed Proposal, fully completed, sealed and marked "MHSW Services must be received by the Public Works operations Manager or designee up to but not later than the Closing Time. An electronic or digital version of the Proposal is to be included with the submission via USB flash drive.

- 2.8 The Proponent shall examine the Proposal Documents as soon as possible, and immediately notify the Public Works operations Manager in writing of any errors, omissions, or conflicts discovered.
- 2.9 Proposals received prior to the Closing Time may be withdrawn by the Proponent only upon and by written notice of withdrawal. Written notice of withdrawal must be received by the Public Works operations Manager no later than 24 hours prior to the closing time. If such notice of withdrawal is not so received by the Public Works operations Manager, such Proposal shall be deemed as being open for the Municipality to consider and/or accept. The last Proposal received shall invalidate all previous Proposals received from the same Proponent.
- 2.10 Proponents are advised to review the Proposal Documents for all terms, conditions and requirements. For general informational purposes only, Proponents are advised that:
 - (a) The Municipality is requesting Proposals for the collection, pickup, transportation, and recycling of Household Hazardous Waste items collected at a one (1) day event.
 - i. **Event scheduled for Saturday, September 28th, 2024 in Sioux Lookout, Ontario from 8:00 a.m. till 3:00 p.m., at the Public Works Garage located at 41 Fifth Ave.**
- 2.11 As it is the responsibility of the Proponent to determine levy and collection of the Harmonized Sales Tax (HST), and that the amounts bid show the HST where and as required by the Proposal Documents.
- 2.12 In a case where a successful Proponent is not an Ontario resident Contractor/Proponent, such Proponent is required to either:
 - (a) Provide a copy of a valid Retail Sales Tax Vendor Permit; or
 - (b) File with the Municipality a copy of the letter of compliance issued by the Ontario Retail Sales Tax Branch. Failure to comply will result in such portion, as prescribed by law, of any payment made or to be made by the Municipality of Sioux Lookout to the Proponent to be withheld for remittance as required.
- 2.13 The Municipality is governed by the Municipal Freedom of Information and Protection of Privacy Act. Proponents shall and do hereby consent that Proposals and Proposal contents may be made public as a condition of the Request for Proposal process.
- 2.14 Forthwith upon the Municipality notifying a Proponent that such Proponent has been awarded the Contract, such Proponent shall:
 - (a) Execute the Agreement;

- (b) Deliver, to the Municipality, proof of insurance, the OH&S Agreement, Workers' Safety Insurance Board ("WSIB") clearance certificate, and otherwise, as required in and by the Proposal Forms and elsewhere in the other Proposal Documents; and
- (c) Be ready to supply and deliver, in accordance with the Proposal Documents the collection, packaging, transportation, and appropriate disposal or recycling of municipal hazardous and special waste as successfully bid for.

If the Proponent fails to deliver to the Municipality, the Agreement and the OH&S Agreement properly executed by the Proponent or to supply the specified insurance documents, within two (2) weeks of the date of acceptance of the Proposal, or to start the supply and delivery when directed:

- i. The Municipality shall be entitled, without prejudice to any other right or remedy it may have, to deem the Proponent to have abandoned the Proposal made by the Proponent; and
- ii. The Proponent shall pay to the Municipality the difference between the Total Proposal Price set out in its Proposal and any other Proposal which the Municipality accepts (if such other Proposal is for a larger amount) and, in addition thereto, any costs which the Municipality may incur by reason of the Municipality reposting a Request for Proposals, and, further, the Proponent shall fully indemnify and save harmless the Municipality, its officers, employees, and agents from all loss, damage, liability, cost, charge and expense whatever which, they or any of them may suffer, incur or be put to by reason of such default or failure of the Proponent.

- 2.15 The successful Proponent shall indemnify and save harmless, the Municipality, Product Care Ontario, and other Funding Organization (IFO) as applicable, their directors, officers, contractors, employees and agents, from and against any and all manner of actions or causes of actions, damages (but not including consequential damages), costs, loss or expenses of whatever kind (including related legal fees on a full indemnity basis) which the Indemnified Party, its directors, officers, contractors, employees and agents may sustain, incur or be put to by reason of or directly or indirectly arising out of any wilful misconduct or negligence of the Proponent or any person for whom the Proponent is, at law responsible, in relation to matters arising out of the contract.

The successful Proponent shall, during the term of the Contract, maintain at its expense Comprehensive General Liability coverage with limits of not less than \$5,000,000 (five million dollars) per occurrence.

The Comprehensive General Liability policy of insurance referred to in this section shall include the Municipality and Product Care Ontario and other Industry Stewardship Organization (ISO) as applicable as an additional insured for acts committed by the named insured.

The successful Proponent shall deliver, to the Municipality, a copy of Certificate(s) of Insurance maintained by the successful Proponent pursuant to this Agreement upon the effective date of this Contract and annually upon renewal of the successful Proponent's

insurance, naming the Municipality and Product Care Ontario as an Additional Insured with the following language:

“The Municipality, Product Care Ontario and other Industry Stewardship Organization (ISO) as applicable and its affiliated entities, officers, partners, directors, employees, representatives and agents are included as Additional Insureds for Comprehensive General Liability. Such coverage is primary and non-contributing.”

Such Policy shall name the Municipality as an additional insured there under and shall contain:

- (a) The insurer’s waiver of any rights of subrogation or indemnity or any other claim to which the insurer might otherwise be entitled as against the Municipality and any other corporation owned, operated, or controlled by or affiliated with the Municipality, together with a severability of interest clause and a cross liability clause; and
- (b) An undertaking by the insurer not to cancel, change, lapse, or refuse to review the insurance therein granted without first giving the parties notice of its intentions in writing of at least 60 days prior to the intended change, lapse, cancellation or termination.

A certified copy of the Policy or certificate thereof shall be deposited with the Municipality upon signing of the Agreement or as the Municipality may direct.

- 2.16 In the Proposal Documents, the singular, or masculine, or personal, pronouns herein shall be construed as meaning the plural, or feminine, or neuter, as the context requires.

SCHEDULE 1

SUMMARY

HOUSEHOLD HAZARDOUS WASTE COLLECTION EVENT DAY

The following Proposal is hereby submitted to

THE CORPORATION OF THE MUNICIPALITY OF SIOUX LOOKOUT

(The "Municipality")

1. This Proposal is submitted by _____
(hereinafter sometimes referred to as the "Proponent").
2. In the Proposal Documents "Work" means the total provision of all labour, materials, plant, equipment, services, and otherwise, necessary for the proper execution and completion, in accordance with the Proposal Documents, of the supply and delivery to and for the benefit and satisfaction of the Municipality of:
 - a. The Household Hazardous Waste Collection, if the Municipality awards the Proposal for the Household Hazardous Waste Collection to the Proponent; or
 - b. Those Types(s) of Household Hazardous Waste Collection for which the Proponent submits, and is awarded for the submission of Proposal.
3. The Proponent acknowledges and agrees that:
 - a. The items and quantities set out in, the Schedules of Unit Prices below (which shall be deemed to be attached to and form part of these Proposal Forms) or elsewhere in the Proposal Documents, are not to be taken as a guarantee of actual quantities required;
 - b. The Municipality reserves the right to increase, decrease or delete quantities of any or all items set out in, the Schedules of Unit Prices below or elsewhere in the Proposal Documents, and no claim resulting from any increase, decrease or deletion in items and/or quantities will be considered;
 - c. The Total Unit Price(s) given or set out by the Proponent in this Proposal:
 1. Shall and does include all costs, expenses and charges whatsoever for the performance and completion of the Work by the Proponent, including, without limitation, for all labour, materials, plant equipment, services, duties, taxes, patent royalties, insurance, transportation, and otherwise; and
 2. Shall apply for the purpose of progress payments and shall apply throughout the time period of years or part thereof for which the Proponent may be awarded for a Proposal except that any increase or decrease in taxes such as HST after the date of the awarding of the Proposal shall increase or decrease the Total Unit Price accordingly by the amount of such increase or decrease in tax.
4. The undersigned Proponent:
 - a. Confirms that the Proponent has examined the Proposal Documents and ascertained all necessary particulars of and with regards to the Work to the Proponent's satisfaction;
 - b. Submits the following Proposal and agrees, if such Proposal is accepted to:
 - i. Enter into the Agreement and the OH&S Agreement and provide same to the Municipality duly executed; and

- ii. Perform and complete the Work for the respective Total Unit Price(s) and Total Prices quoted by the Proponent herein except as may be increased or decreased by increase or decrease in taxes (such as HST) as set out in paragraph 3 hereof.

5. By completing and signing below, the Proponent agrees to carry out the work relating to the Household Hazardous Waste Collection Day Event for the Year 2022 as proposed. The Proponent will fill in the specific forms, found in the appendix, relating to the type(s) of Municipal Hazardous and Special Waste to be collected. If a Proponent has not completed a particular section of a form, it will be taken by the Municipality that the Proponent did not wish to submit for the specific item.

6. The undersigned acknowledges receipt of the following addenda:

No.	Date Issued	Date Received

7. The Proponent shall, forthwith upon request of the Municipality, provide a “Statement of Good Standing” and/or clearance certificate and/or such other evidence of compliance (with regards to workers’ compensation insurance, including payments due there under) satisfactory to the Municipality, from the WSIB of Ontario.

NOTE: Following award of the Contract, an executed copy of the Occupational Health and Safety Agreement will be added into this document and become part of the Contract Documents.

SCHEDULE 4

SPECIFICATIONS/REQUIREMENTS

GENERAL

The Proponent shall fill out the cost breakdown tables attached indicating the costs for removal and recycle of the consolidated phase and non-consolidated phase materials, as well as equipment and labour costs for the Municipality. See the Appendices for information sheets. Duplicate copies of these sheets shall be submitted as part of the Form of Proposal.

ELIMINATION OF MATERIALS

The Municipality shall reserve the right to remove, from time to time, any MHSW material from the MHSW Services contract, without cause and without penalty, with a minimum of 90 days written notice to the successful Proponent.

TERMINATION OF CONTRACT

The Municipality reserves the right, without cause and without penalty with a minimum of 60 days written notice to the successful Proponent, to terminate the entire contract.

QUALIFICATIONS/CERTIFICATION

The successful Proponent, prior to execution of the MHSW Services contract, must be registered with and approved by Stewardship Ontario as a Transporter and/or Processor of MHSW in accordance with the Stewardship Ontario registration system for Transporters and Processors.

The successful Proponent must maintain its approved status as an approved Transporter and/or Processor for the term of this Contract.

Each Proponent shall be aware of and compliant with all requirements of Product Care Ontario's Transportation Standards available at <https://www.productcare.org/app/uploads/2016/02/Transportation-Standards-1.pdf>

Each Proponent shall be aware of and compliant with all requirements of Product Care Ontario's Processor Standards available <https://www.productcare.org/app/uploads/2016/02/Processor-Standards-1.pdf>

The successful Proponent shall conform to all reporting and documentation requirements of Stewardship Ontario's We Recycle integrated information management system.

The successful Proponent shall, upon reasonable notice, allow the Municipality, the Municipality's agent; Stewardship Ontario or Stewardship Ontario's agent to enter upon any facility utilized by the Proponent for the MHSW Program Plan for the purpose of conducting inspections for compliance audits and shall ensure the same access to any downstream processor utilized by the Proponent.

Information obtained by Stewardship Ontario pursuant to such inspections and audits shall only be used for the purposes of the Agreement between Stewardship Ontario and the Municipality.

WASTE HANDLING

The Proponent shall follow the three R's philosophy and adhere to Stewardship Ontario's Transporter and Processing Standards.

The Proponent will supply the Municipality with a report on the collection data and disposal methods of the wastes collected at the Household Hazardous Waste event. See Appendix E for processing forms to be filled out to summarizing the event collections.

Under **NO** circumstances shall the Proponent accept any materials falling into the following categories:

- a. PCB contaminated wastes
- b. Radioactive wastes
- c. Industrial or Commercial wastes
- d. Explosives
- e. Unknown chemicals

The Proponent shall ensure that transport containers are packed to their maximum capacity, including packing materials as necessary for safe transport, except during a collection event where there are insufficient items of a particular waste class to fill a transport container.

The Proponent shall ensure that any compressed gas cylinders containing propane, have the remaining propane properly recovered, not vented.

Fluorescent tube shall be measured in running foot.

Oil and oil-based paints which have been manufactured prior to 1972, or whose manufacturing data cannot be determined, may contain PCBs and shall be handled in the manner prescribed below:

- i. The oil and oil based paints shall not be mixed (bulked) with other paints prior to testing. Paints which are lab-packed are not considered to be mixed under this Certificate;
- ii. The operator shall keep a PCB test kit on site during each Household Hazardous Waste Collection Day event;
- iii. The oil and oil-based paints shall be tested for PCB content upon receipt during each Household Hazardous Waste Collection Day event and shall be handled in the manner outlined in the sub-condition (iv) if found to contain PCBs;
- iv. If the oil and oil-based paints are found to have PCBs at or above levels identified in sub-condition (v), it shall be forthwith reported to the Public Works Manager and shall be managed in accordance with Ontario Regulation 362/92 and stored or removed from the Site to an approved PCB storage Site, in accordance with written instructions from the Public Works Manager;
- v. The oil and oil-based paint is considered to be a PCB waste, if measured levels are equal to or greater than 50 parts per million.

SPECIAL INSTRUCTIONS:

The Proponent will be supplied with the following:

- Lunch/Coffee room facilities
- Washroom facilities
- An operator and loader with forks
- Indoor shelter in case of inclement weather

APPENDIX C

Proposal Forms – Cost Allocation Tables

The Proponent shall use the Price Proposal Forms in this RFP. The following definitions apply to the items in the forms:

- a. **Transport Container:** Is the UN-approved container used to transport MHSW from the Municipality's event location to a Ministry of the Environment-approved facility licensed to manage MHSW. e.g. 202 L drum or labpack. 1m³ tote, or other. The unit price is the cost of one transport container, plus label, liner and packing material.
- b. **Recycling Option:** It is the unit price for recycling one full transport container and includes the cost of the transport container, transporting (*in addition to any transportation in Table 6 below) the container to a recycling facility, if applicable. It includes the cost for processing and recycling or disposing of the empty MHSW containers or packaging, unless the Proponent chooses to price the processing, recycling or disposing of empty paint containers separately (refer to Recyclability Status table url below). In the case where the contents of a package is recycled but the package itself is disposed, the waste is still deemed to be recycled.
- c. **Disposal Option:** Is defined as the unit price for processing and disposing of one full transport container and includes the cost of the transport container, transporting (in addition to any transportation in Table 3 below) the container to a disposal facility, if applicable. It includes the cost for processing and recycling or disposing of the empty MHSW containers or packaging. In the case where the contents of a package are disposed but the package itself is recycled, (such as steel aerosol cans) the waste product is still deemed to be disposed.
- d. **Estimated Quantities:** are based on estimates and do not necessarily reflect actual quantities that may be received during the collection event.

Table 2: Activity-based costs for the event day: Municipality of Sioux Lookout

Instruction to Proponent

Mobilization cost includes the cost for the Proponent’s travel time to and from the event site, loading and unloading times, complying with reporting requirements and trucking costs.

Collection cost is the total cost for all activities related to receiving, sorting, packing and manifesting MHSW.

Activity	Unit	Total Price

Definition of Acceptable Wastes under the MHSW Program

Designated Materials*:30+

- Aerosols
- Antifreeze¹
- Corrosives (includes irritants)
- Fertilizers¹
- Fire Extinguishers (portable)
- Flammables¹ (includes solvents)
- Fluorescents (user removed)
- Fluorescents (embedded in designated EEE)
- Mercury Devices (includes measuring devices, switches and thermostats)
- Oil Containers
- Oil Filters
- Paint and Coatings¹
- Pressurized Containers
- Pesticides, Fungicides and/or Herbicides¹
- Toxics

Material Notes:

Updated in 2015 to better reflect category groupings.

* Obsolete Materials: A number of materials designated under the consolidated program may no longer be supplied for sale or use in Ontario (e.g., banned pesticides, mercury switches and mercury-containing measuring devices). These are referred to as “obsolete” waste. Companies which produced products that generate obsolete waste are still obligated to register with Stewardship Ontario, even though they have ceased to supply this material for sale or use in Ontario. This is because some of these materials will be returned for collection and safe disposal.

¹Phase 1 steward’s note, the definition has been expanded for these Phase 1 Materials.
