

COVID-19 Energy Assistance Program for Small Business: Applications Begin August 31

The Government of Ontario is making \$8 million available to support small business and registered charities who are struggling to pay their energy bills as a result of COVID-19. The COVID-19 Energy Assistance Program for Small Business (CEAP-SB) provides a one time, on-bill credit to eligible small business and registered charity customers to help them catch up on their energy bills and resume regular payments.

To apply for CEAP funding, customers should contact their energy provider. Electricity and natural gas utilities and unit sub-meter providers (USMPs) will begin accepting applications for CEAP-SB on August 31, 2020, delivering the program in accordance with rules laid out by the OEB. CEAP-SB funding is limited, with utilities and USMPs expected to process applications in the order in which they are received. Please note, submitting an application does not guarantee funding.
