Message from the Detachment Commander

It is my privilege to present the 2024 OPP Detachment Board Annual Report for the Sioux Lookout Cluster. This report offers an overview of crime, traffic enforcement, and community well-being trends, while highlighting the initiatives and successes that defined our efforts over the past year. As 2024 marked the midway point of our 2023–2025 Action Plan, this report provides key updates on our progress toward meeting the commitments we have made together.

The Sioux Lookout Cluster represents one of the most unique and diverse policing environments in Ontario, covering remote First Nation communities, rural townships and the regional hub of Sioux Lookout. Our officers, civilian staff and part-time members continue to meet these challenges with professionalism, dedication and a strong commitment to community safety.

In 2024, we:

- Established a dedicated OMAP Detachment Operations Clerk position to improve offender tracking, warrant management and compliance monitoring for high-risk individuals.
- Prioritized traffic safety through consistent RIDE initiatives and the delivery of the 2024 Winter Road Safety Campaign, with a focus on commercial motor vehicle enforcement.
- Increased foot patrols and re-launched the summer Street Team initiative to enhance engagement with vulnerable individuals.
- Provided the OPP KIDS Program at Sioux Mountain and Sacred Heart Schools.
- Collaborated with the Nishnawbe-Aski Police Service and Lac Seul Police Service to support multi-jurisdictional enforcement operations.
- Expanded our mental health response by embedding a Mobile Crisis Response Team worker with frontline officers.
- Developed a Warm Handoff Protocol with Meno-Ya-Win Health Centre to ensure victims of sexual assault receive immediate and culturally appropriate support.
- Continued investing in investigative and leadership development training to build capacity and prepare our members for future challenges.
- Maintained open lines of communication with Chiefs and Councils, the Sioux Lookout Detachment Board and community leaders to align our efforts with local needs and expectations.
- Leveraged technology, including In Car Cameras and ALPR systems, to strengthen transparency and evidence collection.

Looking ahead, we will work with the Sioux Lookout Detachment Board and community partners to help shape the 2026–2029 Action Plan. This process will align with the upcoming OPP Strategic Plan and the transition to the Community Safety and Policing Act (CSPA), ensuring that local priorities are reflected in broader organizational goals.

I want to express my appreciation for every member of our team—officers, civilian staff, supervisors and specialized units—whose commitment and resilience continue to make a meaningful difference across the Sioux Lookout Cluster.

Insp. Michael Kreisz

Sioux Lookout Detachment Commander

Summary of Commitments

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
To address and prevent violent crime in our communities. To address and prevent property crime in our communities.	To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions.	To identify co-response solutions for non-police related demands for service that impact police resourcing. Prioritize recruitment of individuals who reside within our service area.

2024 Crime Progress Updates

Commitment	Progress Update
To address and prevent violent crime in our communities.	Maintained collaboration with the Sioux Lookout First Nations Health Authority to develop safety strategies for community members accessing health care services in Sioux Lookout. Participated in Sioux Lookout's Violence Action and Awareness Committee engagement events, including coordination of Victims and Survivors of Crime Week event. Continued joint efforts with the Sioux Lookout Emergency Shelter to enhance safety and support for shelter clients. Sustained partnership with NAN Legal Services to strengthen a pre-charge diversion program focused on reducing recidivism and providing alternatives to the criminal justice system. Also supported NAN Legal Services Pardon Project. Continued to support Sioux Lookout Situation Table to ensure proper intervention for individuals in crisis. Introduced a dedicated Offender Management and Apprehension Program (OMAP) Detachment Operations Clerk to enhance the monitoring of high-risk and violent offenders. This new position has strengthened our ability to conduct timely compliance checks, improve warrant tracking and support proactive interventions aimed at preventing further harm in our communities.
To address and prevent property crime in our communities.	Utilized analytical data on property crime trends to inform and advance targeted enforcement and prevention strategies. Continued collaboration with NAN Legal Services to support a property crime-focused pre-charge diversion program, aiming to reduce repeat offenses by addressing underlying causes and providing meaningful alternatives to prosecution.

2024 Roadways, Waterways and Trails Progress Updates

Commitment	Progress Update
To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions.	In 2024, we maintained a consistent focus on the “Big Four” causal factors of motor vehicle collisions—impaired driving, aggressive driving, distracted driving and lack of seatbelt use. Through the strategic use of analytics, we identified high-risk areas and directed targeted enforcement and increased visibility by frontline members where it was most needed. As a result of these sustained efforts, the Sioux Lookout Detachment is proud to report zero fatal motor vehicle collisions in our jurisdiction for the year.

2024 Community Well-Being Progress Updates

Commitment	Progress Update
To identify co-response solutions for non-police related demands for service that impact police resourcing.	Continued collaboration with NAN Legal Services to support both their Band By-Law Enforcement Program and pre-charge diversion initiatives, helping to divert individuals from the criminal justice system and reduce low risk demands on frontline policing. Strengthened partnerships with Meno-Ya-Win Health Centre and hostel security teams to develop coordinated response protocols, resulting in fewer police calls to their facilities and more appropriate resource deployment. Worked alongside the Mobile Outreach Team to proactively connect vulnerable community members with supports, addressing root causes of repeated police contact and promoting long-term well-being.
Prioritize recruitment of individuals who reside within our service area.	Continued efforts to identify and engage local community members with the goal of supporting their recruitment into detachment roles, recognizing the value of local knowledge, community connection and long-term investment in the area.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA)

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

- Mischief / Damage to Property Under \$5,000
- Mischief / Damage to Vehicle Under \$5,000
- Theft from Vehicle Under \$5,000

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.

SIOUX LOOKOUT OPP DETACHMENT BOARD 2024 ANNUAL REPORT DETACHMENT BOARD ACTIVITIES

INTRODUCTION

The new Ontario *Community Safety and Policing Act* (CSPA), passed in 2019, came into force on April 1, 2024. Among many other changes, the new legislation has significantly changed how policing is provided in Ontario and has “converted” several existing Police Services Boards (PSBs) to regional “OPP Detachment Boards”.

Municipalities with their own police forces retain the slightly amended “Police Service Boards” under the Act.

Policing in the Township of Pickle Lake and the Municipality of Sioux Lookout (in addition to four first Nations communities) is provided by the Sioux Lookout OPP Detachment. Both Municipalities had PSBs under Section 10 of the former *Police Services Act*, which was repealed by the CSPA. The new Act and O.Reg. 135/24 have prescribed that the Township of Pickle Lake and the Municipality of Sioux Lookout must work together to form the new “Sioux Lookout OPP Detachment Board” to implement the requirements of the legislation.

(NOTE: The four First Nations communities policed by the Sioux Lookout OPP Detachment have opted out of participating on or contributing to the operating costs of the new Board. This has been sanctioned by the Ministry of the Solicitor General.)

Section 68 of the CSPA sets out the Roles and Responsibilities of the Board. One of those responsibilities is to provide an Annual Report to the Municipalities regarding the policing provided by the Detachment in their Municipalities on or before June 30th in each year. Since the legislation came into force on April 1, 2024 and most, if not all, new Detachment Boards were in the very early stages of establishment, onboarding, and implementation, there would have been little to report on by June 30, 2024. Therefore, the following report covers activities from late October 2023 to May 2025.

In late April 2025, the OPP's Strategy Management Unit advised of the timeline for activities and creation of the OPP's portion of the Annual Report. Because this was the first Annual Report of the new Detachment Board (and all new Detachment Boards across the Province), flexibility with regard to deadlines was allowed. The OPP portion of the report was received on August 8th. The Board then needed time to review the report, which was completed at its August 28, 2025, meeting; thus, the presentation of the Report to municipalities at this time, after the June 30th original deadline, and in accordance with the OPP's Strategy Management Unit's guidance.

ANNUAL REPORT
DETACHMENT BOARD ACTIVITIES**

FUNCTIONAL AREA	ACTIVITIES Since approximately October 2023 to May 2025
	❖ CSPA = <i>Community Safety and Policing Act</i> ❖ DB = Detachment Board ❖ DC = Detachment Commander ❖ MFIPPA = <i>Municipal Freedom of Information and Protection of Privacy Act</i> ❖ MOSL = Municipality of Sioux Lookout ❖ OAPSB = Ontario Association of Police Service Boards ❖ OPC = Ontario Police College ❖ TPL = Township of Pickle Lake ❖ RAP/RAPs = Rules and Procedures ❖ SLODB = Sioux Lookout OPP Detachment Board
Board Framework	◆ O. Reg. 135/24 of the CSPA established the composition of a new Detachment Board for the Sioux Lookout OPP Detachment Area consisting of: two Council-appointed Council Representatives and two Council-appointed Community Representatives from each of the Municipality of Sioux Lookout and the Township of Pickle Lake, and one Provincial Appointee. The four First Nations communities served by the Sioux Lookout OPP Detachment have opted out of participation on and financial contribution towards the operating costs of the Board, which they have the authority to do under the CSPA. ◆ The municipalities of Sioux Lookout and Pickle Lake entered into a “Partnership Agreement” setting out several operational details and how the municipalities will work with each other to implement the CSPA as it relates to the DB. ◆ Agreement between TPL and MOSL for MOSL to “take the lead” on establishing the “administrative apparatus” for the Board due to availability of contracted staff. ◆ Agreement between TPL and MOSL that the Sioux Lookout Municipal Office would be the “headquarters” for the DB. ◆ Agreement between TPL and MOSL for MOSL Staff to fulfill DB functions as follows: ○ CAO/Municipal Clerk = Board Administrator ○ Treasurer = Board Treasurer ○ Executive Assistant to Mayor and CAO/Municipal Clerk = Board Recording Secretary ○ Special Projects Consultant = Special Advisor to the Board

	The Town Manager/Clerk of TPL is the Deputy Administrator for the Board ◆ See attached Table of Contents for related RAPs.
The Board; Meetings; “Rules and Procedures”	◆ Ensured appointments complied with eligibility criteria in CSPA. ◆ Attempted to ensure diverse representation from member communities, including marginalized groups. ◆ Considered a skills matrix that helps identify areas of expertise of Board Members and gaps when recruiting initial, and future, Members. ◆ Appointed Board Members were administered prescribed Oath/Affirmation of Office and prescribed Code of Conduct. Documents were signed and filed as official DB records. ◆ Appointed Board Members completed required Criminal Record Checks, which were filed as official DB records. ◆ Appointed Board Members successfully completed all mandatory training, provided by OPC. Documentation filed as official DB records. ◆ Approved a comprehensive set of “Rules and Procedures” per Section 46 of the CSPA governing how the Board would operate. The Table of Contents for that document is appended. Once the official standardized DB logo is received from the OPP Strategic Management Unit, the Rules and Procedures/Local Policies document will be finalized, posted on the DB webpage, and distributed to Board Members. ◆ Due to distance between MOSL and TPL, Board determined that meetings would be held virtually and livestreamed. In February 2025, Board approved holding hybrid meetings which will still be livestreamed. ◆ Elected/acclaimed Chair for 2024 and 2025, as required by legislation. ◆ Held four meetings in 2024; will have held two meetings in 2025 as of May 22, 2025. Subsequent meetings scheduled for August and November 2025. ◆ Two Members attended OAPSB Zone 1 meeting in Thunder Bay in December 2024. ◆ All Members (4) and one Staff member participated in OAPSB Zone 1 virtual meeting in January 2025. ◆ One Member approved to attend OAPSB Conference and Annual General Meeting, June 3 – 5, 2025, London, Ontario ◆ See attached Table of Contents for related RAPs.

Administration and Information Technology	◆ MOSL became member of OAPSB in 2024 for access to training, education, information and advice. ◆ Staff assigned DB functions completed training provided by OAPSB and OPC. (OPC training is same as mandatory training for Board Members, but not mandatory for Staff.) ◆ Board became member of OAPSB for 2025 for access to training, education, information and advice. ◆ Developed Records Management, Retention and Destruction RAP and filing system for DB records. Includes processing of requests for information. (Since DB is not a “local board”, MFIPPA doesn’t apply.) ◆ See attached Table of Contents for related RAPs.
Communications	◆ Created webpage within MOSL’s website, accessible through MOSL’s website, but also with separate and independent URLs: “siouxlookoutpoliceboard.ca” and “picklelakepoliceboard.ca”. Content meets CSPA requirements with the exception of including a link to the Inspectorate of Policing “complaints” page (to follow). ◆ Meeting Agendas and Minutes posted on DB webpage as required. ◆ Board approved “Local Policy” (per Section 69 of the CSPA) requiring the DC to report “serious occurrences” to the CAO (MOSL) or Town Manager/Clerk (TPL). ◆ See attached Table of Contents for related RAPs.
Finance	◆ Partnership Agreement sets out apportionment of DB costs between TPL and MOSL (namely, a 50-50 split of costs). ◆ Board reviewed and approved annual remuneration of \$2,000 for Provincial Appointee (required) and Community Representatives (optional, but approved by Board). Council Members on the Board do not receive additional compensation. (Travel expenses allowed for all Board members in accordance with applicable RAP.) ◆ 2024 budget reviewed and approved, in principle, by Board, and recommended and submitted to both Councils for approval. ◆ 2025 budget reviewed and approved, in principle, by Board, and recommended and submitted to both municipalities for approval. ◆ Received and analyzed quotes and purchased insurance for the Board by September 2024. Costs have been prorated (25% in 2024 and 75% in 2025). ◆ See attached Table of Contents for related RAPs.
Miscellaneous	◆ See attached Table of Contents for related RAPs.

FUTURE ACTIVITIES

The Board	◆ By the time this Annual Report is presented to the MOSL and TPL, there will be a new DC for the Sioux Lookout OPP Detachment. The Board will develop a strong and collaborative working relationship with the DC. ◆ Receive official, standardized Board logo from OPP; finalize, post and distribute RAP and Local Policy. ◆ Recruit for Provincial Appointee and/or continue to lobby Solicitor General/Public Appointments Secretariat for appointment.
Rules and Procedures	◆ “Phase 2” development of RAPs, as follows: ○ for “operationalizing” the Roles and Responsibilities of the Board (per Section 68(1)) of the CSPA. For example: ➤ Procedure for establishing the Board’s, mission statement, vision statement, goals and strategic objectives (if required). ➤ Procedure for the participation in the recruitment of a Detachment Commander. ➤ Procedure, expectations, etc., and guiding documents/form for Detachment Commander Performance Appraisal. ➤ Procedure for Board evaluation and Board Member Self-Assessment. ○ Involvement in development of “Local Action Plan”, per Section 70 of the CSPA ○ Involvement (if any) in development and implementation of the Municipalities’ Community Safety & Well-Being Plans ○ Rules of Debate ○ Reserves (if any) ○ Social Media (should the Board determine it wishes to utilize Social Media) ○ Asset Management (if any) ○ Procedure to be followed if a Member breaches the Code of Conduct or confidentiality, etc. ○ Ongoing Board Development/Training
Administration and Finance	◆ Consider if separate DB Staff is required for future due to time required for DB activities, especially if the Board initiates or gets involved in community activities, e.g. Local Action Plan, Strategic Plan development, grant applications for OPP programs, etc.
Communications	◆ Add information about and link to the Inspectorate of Policing “complaints” page.
