Message from the Detachment Commander

I am pleased to present the Sioux Lookout Detachment - 2025 Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2025 was the last year of the 2023-2025 Sioux Lookout Detachment Action Plan and this report will provide a final update and progress results from that plan.

The Sioux Lookout cluster represents one of the most unique and complex policing environments in Ontario, spanning remote First Nation communities, rural townships, and the regional hub of Sioux Lookout. Our officers, civilian staff, and part-time members continue to meet these demands with professionalism, dedication, and an unwavering commitment to community safety.

In 2025, our efforts were focused on delivering meaningful results for the communities we serve. Over the past year, we:

- Continued to utilize the Offender Management and Apprehension Program (OMAP) to strengthen offender tracking, warrant execution, and compliance monitoring for high-risk individuals.

- Increased proactive policing through enhanced foot patrols and targeted enforcement informed by community concerns and intelligence-led analysis.

- Maintained a strong focus on traffic safety through year-round RIDE enforcement and the annual Festive RIDE campaign, alongside the continued Winter Road Safety Campaign, with an emphasis on commercial motor vehicle (CMV) enforcement.

- Enhanced victim support services through the addition of a dedicated OPP Victim Specialist, improving coordination of victim services, strengthening follow-up, and ensuring timely access to supports throughout the criminal justice process.

- Strengthened investigative capacity in intimate partner violence (IPV) and other abuse-issues related incidents through a dedicated Detachment Abuse Issues Investigator (DAII), a detective constable assigned to ensure consistency, expertise, and investigative excellence in these complex occurrences.

- Continued to leverage technology, including body worn cameras, in-car cameras, and Automated License Plate Recognition (ALPR), to enhance evidence collection, transparency, and officer and public safety.

- Continued to augment frontline mental health response capacity through our sustained partnership with the Canadian Mental Health Association, including an embedded mobile crisis response worker at the detachment.

- Continued to actively engage with Chiefs and Councils, the Sioux Lookout Detachment Board, and community leaders to ensure our policing approach reflects local priorities and expectations.

- Strengthened recruitment efforts with a focus on attracting local candidates through career fairs, targeted recruitment events, and enhanced social media outreach.

- Continued collaboration with Nishnawbe-Aski Police Service and Lac Seul Police Service to support coordinated, multi-jurisdictional enforcement initiatives.

In 2026, we will release our new 2026-2029 Sioux Lookout Detachment Action Plan. This is the first action plan developed under the *Community Safety and Policing Act* (CSPA). We are working closely with our Sioux Lookout OPP Detachment Board and engaging with community members to ensure the needs of our communities are reflected in the commitments we make for the next four years.

Development of the 2026-2029 Sioux Lookout Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan creating organizational alignment.

As we look ahead to emerging challenges and new opportunities in policing and community safety, our detachment members remain committed to our mission to serve our communities, protect our citizens, uphold the law, and preserve public safety.

Michael Kreisz
Detachment Commander
Sioux Lookout Detachment

Summary of Commitments

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
To address and prevent violent crime in our communities. To address and prevent property crime in our communities.	To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions.	To identify co-response solutions for non-police related demands for service that impact police resourcing. Prioritize recruitment of individuals who reside within our service area.

2025 Crime Progress Results

Commitment	Progress Results
To address and prevent violent crime in our communities.	Enhanced response to violent crime through the addition of a dedicated OPP Victim Specialist and a DAII, improving victim support and follow-up while strengthening investigative capacity and consistency in IPV and other abuse-related occurrences. Sustained partnership with NAN Legal Services to strengthen pre-charge diversion programming aimed at reducing recidivism and offering meaningful alternatives to the criminal justice system. Continued to support the NAN Legal Services Pardon Project. Maintained strong collaboration with the Sioux Lookout First Nations Health Authority to support the development and implementation of safety strategies for community members accessing health care services in Sioux Lookout. Continued joint work with the Sioux Lookout Emergency Shelter to enhance safety planning and supports for clients, with a focus on reducing vulnerability and risk of victimization.
To address and prevent property crime in our communities.	Conducted ongoing analytical review of property crime trends and patterns, working collaboratively with property owners and local businesses to implement Crime Prevention Through Environmental Design (CPTED) strategies aimed at reducing opportunities for property crime. Supported the reduction of repeat minor property crime by connecting individuals with appropriate community resources and diversion opportunities, including partnerships with NAN Legal Services and the Ministry of Children, Community and Social Services (MCCSS) Youth Probation to address underlying factors and promote long-term behaviour change.

2025 Roadways, Waterways and Trails Progress Results

Commitment	Progress Results
To sustain a continuous and year-round focus on the causal factors of motorized vehicle collisions.	In 2025, we continued to prioritize the “Big Four” causal factors in motor vehicle collisions including impaired driving, aggressive driving, distracted driving, and lack of seatbelt use through data driven enforcement and targeted deployment in identified high risk areas. We also remained committed to year-round RIDE enforcement as a core traffic safety strategy and are pleased to report that our cluster led the province in the number of RIDE checks conducted during the 2025 Festive RIDE campaign, reflecting the strong commitment of our frontline members to road safety and impaired driving enforcement.

2025 Community Well-Being Progress Results

Commitment	Progress Results
To identify co-response solutions for non-police related demands for service that impact police resourcing.	Worked closely with Meno-Ya-Win Health Centre, SLFNHA hostel management, and the Sioux Lookout Emergency Shelter to support vulnerable individuals, improve shared response to incidents, and ensure more appropriate use of police resources for low-risk calls for service. Continued collaboration with NAN Legal Services and MCCSS Youth Probation to support diversion-based approaches for appropriate offenders. Also supported community by-law enforcement initiatives led by Sioux Lookout By-Law, helping to redirect matters away from the criminal courts and reduce low risk demands on frontline policing. Continued active participation in the Situation Table, working with partner agencies to respond to individuals at acutely elevated risk to support coordinated interventions that reduce repeat emergency service involvement and enhance individuals' safety. Worked alongside Mobile Outreach and Indigenous Friendship Centre partners to connect individuals experiencing addiction, mental health challenges, and housing instability with supports, helping to address root causes of repeat police contact. Continued partnership with the Canadian Mental Health Association through the embedded mobile crisis response worker, who supported frontline officers by responding directly to individuals experiencing mental health crises and connecting them with appropriate community-based services, contributing to more effective diversion from police-only responses and improved continuity of care.
Prioritize recruitment of individuals who reside within our service area.	Continued to prioritize the recruitment of individuals residing within our service area by actively engaging local communities through career fairs, targeted recruitment events, and outreach initiatives. These efforts focused on building awareness of policing career opportunities, encouraging local applicants, and strengthening long-term retention through the value of local knowledge, community connection, and investment in the communities we serve.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the *Community Safety and Policing Act (CSPA*)

To support SDM implementation, the OPP is undertaking a multi-year staffing strategy to address required increases in detachment personnel. This model supports the OPP's ability to:

- Respond effectively to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Meet municipal expectations for police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (Figure 1). These targets reflect how time should ideally be distributed by the end of the SDM staffing strategy.

The targets are based on a provincial average, and variations are expected between detachments due to differences in geography, operational structure, recruitment and leave of absence rates.

Detachments may face challenges in achieving these targets, but progress is expected as scheduling, data quality and strategic deployment continue to improve.

The misuse of 911 ties up emergency lines, communicators and officers, which can result in a slower response to a real emergency and risks the safety of people who may need urgent help.

It is against the law to call 9-1-1 as a joke. Prank 9-1-1 calls can be dangerous and waste valuable emergency resources.

SIOUX LOOKOUT OPP DETACHMENT BOARD
ANNUAL REPORT: May 2025 – May 2026
DETACHMENT BOARD ACTIVITIES

INTRODUCTION

The Ontario *Community Safety and Policing Act* (CSPA), passed in 2019, came into force on April 1, 2024. Among many other changes, the new legislation significantly changed how policing is provided in Ontario and "converted" several existing Police Services Boards (PSBs) to regional "OPP Detachment Boards".

Municipalities with their own police forces retain the slightly amended "Police Service Boards" under the Act.

Policing in the Township of Pickle Lake and the Municipality of Sioux Lookout (in addition to four first Nations communities) is provided by the Sioux Lookout OPP Detachment. Both Municipalities had PSBs under Section 10 of the former *Police Services Act*, which was repealed by the CSPA. The new Act and O.Reg. 135/24 have prescribed that the Township of Pickle Lake and the Municipality of Sioux Lookout must work together to form the new "Sioux Lookout OPP Detachment Board" to implement the requirements of the legislation.

(NOTE: The four First Nations communities policed by the Sioux Lookout OPP Detachment have opted out of participating on or contributing to the operating costs of the new Board. This has been sanctioned by the Ministry of the Solicitor General.)

Section 68 of the CSPA sets out the Roles and Responsibilities of the Board. One of those responsibilities is to provide an Annual Report to the Municipalities regarding the policing provided by the Detachment in their Municipalities on or before June 30th each year. Since the legislation came into force on April 1, 2024, and most, if not all, new Detachment Boards were in the very early stages of establishment, onboarding, and implementation, there would have been little to report on by June 30, 2024. Therefore, the initial Annual Report covered activities of the new Sioux Lookout OPP Detachment Board from late October 2023 to May 2025.

In late April 2025, the OPP's Strategy Management Unit advised of the timeline for activities and creation of the OPP's portion of the Annual Report. Because this was the first Annual Report of the new Detachment Board (and all new Detachment Boards across the Province), flexibility with regard to deadlines was allowed by the Province. The OPP portion of the report was received by the Board's Administrator on August 8th. The Board then needed time to review the report, which was completed at its August 28, 2025, meeting; thus, the presentation of the first Annual Report to the Councils of Sioux Lookout and Pickle Lake didn't occur until approximately September 2025, after the June 30th original deadline, and in accordance with the OPP's Strategy Management Unit's guidance.

This report covers the activities of the Sioux Lookout OPP Detachment Board from approximately May 2025 to May 2026.

SIOUX LOOKOUT OPP DETACHMENT BOARD
ANNUAL REPORT: MAY 2025 – MAY 2026
DETACHMENT BOARD ACTIVITIES

FUNCTIONAL AREA	ACTIVITIES Approximately May 2025 to May 2026
❖ *CSPA = Community Safety and Policing Act* ❖ *DB = Detachment Board* ❖ *DC = Detachment Commander* ❖ *MOSL = Municipality of Sioux Lookout* ❖ *OAPSB/PGO = Ontario Association of Police Service Boards/Police Governance Ontario* ❖ *TPL = Township of Pickle Lake* ❖ *RAP/RAPs = Rules and Procedures* ❖ *SLODB = Sioux Lookout OPP Detachment Board*	
Board Framework	♦ There were no legislated changes to the Board's composition. As per O. Reg. 135/24 of the CSPA, the Board is still comprised of: two Council-appointed Council Representatives and two Council-appointed Community Representatives from each of MOSL and TPL, and one Provincial Appointee. We have followed up with the Public Appointments Secretariat several times, but we continue to wait for our Provincial Member to be appointed. (The three First Nations communities served by the Sioux Lookout OPP Detachment have opted out of participation on and financial contribution towards the operating costs of the Board, which they have the authority to do under the CSPA.)
Changes in Board Membership and Support Staff	♦ There was a change in membership on the Board in 2025. The Sioux Lookout Community Representative, Darlene Angeconeb, was appointed as a member of the Sioux Lookout Council to fill a vacancy in August, which resulted in two members of Sioux Lookout Council on the Board. The Mayor, Doug Lawrance, resigned from the Board, resulting in Ms. Angeconeb being the Sioux Lookout Council Representative, resulting in a vacancy in the Sioux Lookout Community Representative position. The Municipality of Sioux Lookout carried out recruitment efforts for a new member, resulting in the appointment by Council of Ms. Kyra Marshall. Ms. Marshall completed the required documentation and mandatory training for the DB and was given training and orientation by DB Staff before she assumed her position on the Board.

	♦ Depending on the outcome of the October Municipal Elections, there could be additional changes to the Board membership. ♦ In addition to a change in membership on the Board, there was a change in DB Staff as the existing Recording Secretary (the Municipality's Executive Assistant to the Mayor and the CAO) resigned from the Municipality. A new Recording Secretary (EA) was hired and is assuming increased DB duties from the Special Projects Consultant.
Board Meetings	♦ At its first regular meeting in 2026, as required by legislation, the Board acclaimed a Chair, and a Vice-Chair, for 2026. ♦ Four meetings were held in 2025. Two meetings have been held in 2026, with meetings scheduled for May, August and November 2026. Legislation requires that a minimum of four meetings be held every year.
Conferences, Meetings, Training, etc.	♦ One Member attended the OAPSB Annual General Meeting & Conference in June 2025. Costs were included in the 2025 Budget. ♦ One Member attended the OAPSB Zone 1 meeting in Thunder Bay in December 2025. Costs were included in the 2025 Budget. ♦ One Member will be attending the OAPSB (now Police Governance Ontario (PGO)), in Niagara Falls. Costs are included in the 2026 Budget. ♦ Members and Staff as available are participating in OAPSB Zone 1 virtual meetings as available. There is no cost for these meetings. ♦ Staff is working with PGO on development of a customized training session on governance; however, this will not likely take place until after the October Municipal elections. ♦ The Board's membership in OAPSB/PGO continues to be worthwhile. Staff and Members can participate in monthly Discussion Groups (at no charge), and Staff has access to a myriad of resources to help transition activities from compliance with the legislation to a more governance role.
Detachment Commander	♦ A new, permanent Detachment Commander was hired. Inspector Mike Kreisz had been the Acting Detachment Commander but became permanent in approximately June of 2025. This is an OPP process; however, the Board/Board Chair has input.
Finance	♦ To more accurately reflect the work being contributed by Municipality of Sioux Lookout Staff to Detachment Board activities, the 2026 DB Estimates/Budget included $18,345

	in Staff Costs. This cost, along with other actual costs of operating the DB, are billed to the municipalities on a quarterly basis at a 50-50 apportionment, as agreed to in the Partnership Agreement. ♦ 2026 budget was reviewed and approved, in principle, by Board, and recommended and submitted to both municipalities for approval.
Inspectorate of Policing	♦ More "Bulletins", Reports and correspondence are coming from the Inspector General of Policing/Inspectorate of Policing. Staff is ensuring that correspondence is provided to the Board on their meeting Agendas as information. ♦ The IoP is also sending "Decisions" on complaints it receives. Staff reviews the Decisions; relevant Decisions of those that may be of interest to the Board are forwarded to Members.
Local Action Plan	♦ The Board held a Special Meeting in January 2026 to review the Sioux Lookout OPP Detachment's "Local Action Plan" as submitted by the Detachment Commander. Comments were submitted to Insp. Mike Kreisz for inclusion in the Plan. The Board is waiting for the final version of the Plan; it is currently with the Province for translation to French (as are all OPP Detachments' Local Action Plans).
Communications	♦ The official standardized DB logo was received from the OPP Strategic Management Unit in August 2025. Report templates and signature formats of DB Staff were updated. Incorporation of the logo on the final Rules and Procedures/Local Policies document has yet to be completed. This will likely occur when proposed/to be amended RAPs are approved and completed. ♦ DB webpage continues to be updated as required, including posting of Agenda Packages, Minutes, meeting notices, recruitment notices, etc. (As a reminder: the Sioux Lookout OPP Detachment Board webpage has been created within MOSL's website, accessible through MOSL's website, but also with separate and independent URLs: "siouxlookoutpoliceboard.ca" and "picklelakepoliceboard.ca". Content meets CSPA requirements with the exception of including a link to the Inspectorate of Policing "complaints" page (to follow).
Rules and Procedures	♦ Amendments to some "Rules and Procedures" were made; however, due to other pressing obligations of DB staff, development of and amendments to some RAPs are pending.

	♦ The RAP relating to hybrid meetings was amended. Board meetings have resumed as fully virtual and are livestreamed, recorded, and available on the Municipality of Sioux Lookout's YouTube Channel. ♦ A new RAP outlining the process going forward for the Board's involvement in the recruitment of a Detachment Commander was approved.
Outreach, Engagement & Collaboration	♦ The Board supported efforts by the Grenville OPP Detachment Board re support for Enhanced School Bus Safety and the Implementation of Stop-Arm Camera Systems, sending a letter to Premier Doug Ford.

FUTURE ACTIVITIES

The Board	♦ Adapt to change in Board membership if necessitated by October Municipal Elections. ♦ Recruit for Provincial Appointee and/or continue to lobby Solicitor General/Public Appointments Secretariat for appointment. ♦ Finalize, post and distribute RAP and Local Policy. ♦ Work towards transition from compliance with the legislation to a more governance role. ♦ Ongoing Board Development/Training.
Rules and Procedures	♦ "Phase 2" development of RAPs, as follows: ○ for "operationalizing" the Roles and Responsibilities of the Board (per Section 68(1)) of the CSPA. For example: ➢ Procedure for establishing the Board's, mission statement, vision statement, goals and strategic objectives (if required). ➢ Procedure, expectations, etc., and guiding documents/form for Detachment Commander Performance Appraisal. This will likely wait until the Board goes through the process, which is expected to be in 2026. ➢ Procedure for Board evaluation and Board Member Self-Assessment. ○ Involvement (if any) in development and implementation of the Municipalities' Community Safety & Well-Being Plans ○ Procedure to be followed if a Member breaches the Code of Conduct or confidentiality, etc.
Administration and Finance	♦ Consider whether separate DB Staff is required for future due to time required for DB activities, especially if the Board initiates or gets involved in community activities, e.g. Local Action Plan, Strategic Plan development, grant applications for OPP programs, etc. 2026 Budget includes a cost recovery amount for MOSL Staff working on DB-related activities.
Communications	♦ Add information about and link to the Inspectorate of Policing "complaints" page.
